Dear Team,

Greetings from THE INFINITY AI BUILDFEST 2026 team.

Congratulations! We are pleased to inform you that your team has been selected from the Preliminary Submission phase to proceed to the next stage of **THE INFINITY AI BUILDFEST 2026**

Your submitted project has been reviewed, and your team is now invited to participate in the physical program on **Friday, 12 June 2026, at BRAC University, Dhaka.**

Please read the following important instructions carefully:

1. Submission Update Access

Selected teams will now be able to change, modify, and update their submission from the dashboard. Please review your project information carefully and update any required details before the final review.

2. Physical Attendance is Mandatory

Selected teams must attend the physical program on 12 June 2026 at BRAC University, Dhaka. Your team's physical presence is important for project presentation, final evaluation, mentoring, and event-day activities.

3. Update Physical and Virtual Attendance Information

Each selected team must update their profile with clear information about:

- How many team members will attend physically
- How many team members will join virtually, if applicable

Please make sure this information is accurate and updated in your team profile.

4. Internet Backup Requirement

Internet facilities will be available at the venue. However, considering the scale of the event and the number of participating teams, we strongly request every team to keep mobile internet backup ready for safety.

This will help you avoid any interruption during project demonstration, presentation, or technical setup.

5. Tentative Program Day Schedule

Please check the attached Tentative Program Day Schedule carefully to get an overview of the reporting time, session flow, project presentation, judging process, and other major activities planned for the event day.

Notes: Further details regarding the physical program, reporting time, presentation process, judging flow, and event-day instructions will be shared before the program.

Please complete all necessary updates from your dashboard.

Once again, congratulations on being selected for the next stage.

Build Locally. Lead Globally.

Best regards,
THE INFINITY AI BUILDFEST 2026 Team
